

Owlett-Jaton

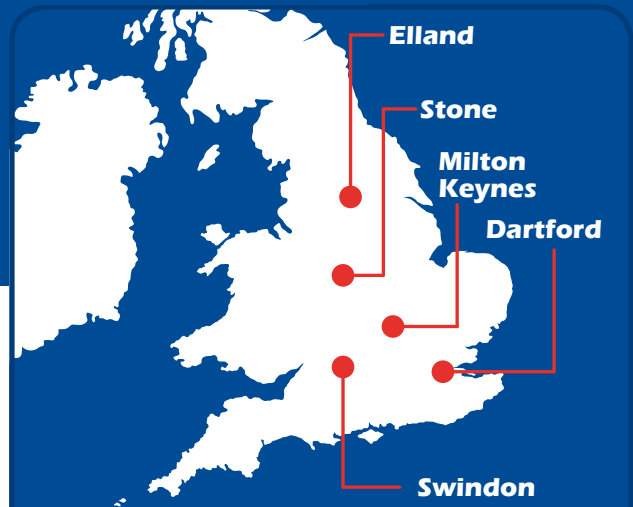

Product Guide

WELCOME

Owlett-Jaton – The No.1 choice for quality, service, and value.

Owlett-Jaton is the UK's largest supplier of Fasteners, Fixings, Ironmongery, Hardware and Associated products to the Distributor and Merchant Trade. Our 250,000 sq. ft. (23,000 sq. metres) of warehousing carries a substantial stock range of over 26,000 items, available for next day delivery across the UK mainland. The broad basket of products is shown in this guide and is backed by a wealth of experience from sales teams, field representatives, and warehouse staff. Our commitment is to provide quality products and service, at competitive prices.

Owlett-Jaton has five sales offices based throughout the UK, offering a professional and comprehensive level of service. We also recognise that quality is important, and this is demonstrated with the BSI ISO 9001 certification. This all adds up to an unbeatable package.

OJ Trade – our online ordering website, is exclusive to Owlett-Jaton customers only! Designed for customer convenience, it makes placing an order with Owlett-Jaton easier than ever. It allows you to place your orders online, 24 hours a day – 7 days a week. OJ Trade has a number of additional features.

With personalised ID and password for security, instantly access prices and stock availability, all in real time. Store, and review enquiries for future reference. Regularly purchased products can be listed via the Purchase Manager facility. Additionally, order, invoice, and credit details can be viewed and printed.

Register today at: www.ojtrade.co.uk to experience the features and benefits of OJ Trade, and soon “one click will do the trick!”
